(1) Bicycles shipping with front wheel not installed (normal)

(2) Bicycles shipping with front wheel installed --recommended on trikes with Residential deliveries subject to surcharges

The rates shown are guidelines. A Worksmen Cycles representative will review every order to determine the best possible shipping method and rates. You will receive a confirming email showing your order total

It is also important to note that orders for multiple cycles will result in much lower/ unit freight.

Call 800 962 2453 weekdays 9-5 for quotes on freight for multiple cycles or with any questions
